Great homes for everyone

LIVE. SHARE. CREATE

Welcome to

The Focus Collection at Eastman Village

With 1, 2 & 3 bedroom apartments available through shared ownership, The Focus Collection is the third shared ownership phase at Eastman Village and is here to provide the setting for a lifetime of memories.

Built on the site of the historic Kodak factory in Harrow, Hyde New Homes invites you to live the lifestyle, share life's moments and create your legacy at Eastman Village.

Live the Lifestyle

A new focal point for Harrow

For over 100 years the Eastman Village site was home to Kodak in the UK. The company's founder, George Eastman, lends his name to this exciting new development, now set to regenerate this corner of North London.

Around 2,000 new homes, offices, restaurants, cafés, shops and amenities are set to be built around an expansive landscaped park that serves as a new green link in the heart of residential Harrow. New community, cultural and civic spaces connect the site's past to its future.

The refurbishment and incorporation of the iconic chimney of the former Kodak Factory, synonymous with the Harrow skyline, serves as a working monument to the history of the site.

Phase Two is now complete.

Created with you in mind

The Focus Collection at Eastman Village offers beautifully appointed, contemporary homes designed for modern lifestyles.

All the homes provide valuable, dedicated outside space in the form of terraces or balconies and all enjoy access to the extensive landscaped gardens central to the broader development.

Sustainability

A sustainable place to live

Our careful redevelopment of the iconic former Kodak factory provides homebuyers with a well-connected urban oasis, supporting you with sustainable choices and helping the local ecosystem to thrive.

Energy efficiency

At Eastman Village, our on-site carbon efficient energy centre provides heating across the development, reducing carbon emission by over 35%, meaning your brand-new home could be up to 65% cheaper to run.

Eastman Village has been **categorised as EPC level B** – a grade of energy efficiency achieved by just 3.1% of existing properties – saving up to £2,356 per year.

Along with solar panels providing a renewable energy source, everyday items such as taps and toilet flushes have been carefully designed to be more efficient. Aerated taps are installed as standard and these devices control the amount of water that flows through the tap without affecting the water pressure as they mix water with air, decreasing your overall consumption. Dual-plated toilet flushes all the customer to select the amount of water utilised per flush, with the intention of conserving resources and reducing water bills.

Bio-diversity

We understand the importance of nature for our homebuyers, and the well-being of the planet. Specialised landscaping will encourage bio-diversity with grassland, flowering garden, scattered trees, and native woodland copses, as well as shrub, herbaceous, bulb and perennial planting.

To ensure natural resources are taken into account, we've installed specially designed roofs which contribute to reducing rain-water run-off, as well as permeable paving, swales and rain gardens, improving water quality and drainage, while helping the environment.

SHARE THE MOMENT

Make yesterday jealous of today

Eastman Village offers residents an array of possibilities for recreation, relaxation, places to visit and sights to see. This ideal balance of town and country provides access to first-rate leisure facilities, cultural destinations, historical gems and picturesque villages.

HISTORY & CULTURE

Get out of town!

Away from the centre of town, residents can enjoy a number of local attractions, including Headstone Manor and Museum where you can find out about the history of the area in a moated Manor House.

Harrow Arts Centre, a short distance north of Eastman Village, is a thriving arts venue hosting a lively programme of events including music, theatre, comedy, dance, film and more in a Grade II listed auditorium.

For further immersion in all things local, the picturesque centre of Harrow on the Hill and 18th century Bentley Priory are both ideal for soaking up the area’s historic charm. Eastman Village residents can also enjoy the glorious open spaces of Pinner Park, home to the fabulous Heath Robinson Museum.

OPEN SPACES & WELLBEING

Stretch, flex, stroll, run, ride or swim

Harrow is abundantly well served with excellent gyms, leisure facilities, parklands and open spaces.

Pear Wood nature reserve, at Stanmore Country Park is an ancient woodland of meandering trails well-suited to walkers and joggers alike. For swimmers, there are few boroughs better equipped, with Ruislip Lido offering an unlikely beach front within the confines of the Capital. For something a little more challenging, the Harrow Wall indoor climbing venue is the country’s largest bouldering centre. If you prefer to take your verticals on four wheels, Harrow skatepark, founded in 1978, is the spiritual home of skateboarding in the UK.

FOOD & DRINK

Eats, treats and more

No gastronomic tour of Harrow would be complete without sampling the profusion of Indian restaurants in the area. Favourites include Chennai Srilalitha voted 'Best Cafeteria 2019' by Restaurant Guru and recommended by Indian Cuisine legend Madhur Jaffrey.

When it comes to European fare, highlights include Eighty Six with its diverse tapas menu and excellent cocktails. Pinner High Street offers a fantastic range of reliable favourites or for something more traditional, The Queens Head and The Castle are just two of the many excellent local gastro-pubs.

RETAIL & SHOPPING LOCAL

Independents to indispensables

Eastman Village provides the best of both when it comes to shopping local. From the independent stores and boutique charms of nearby Harrow on the Hill to the indispensable high street favourites which can be found at St Anns and St George's shopping centres, residents are spoilt for choice.

An Iconic Location

Landmark living

Eastman Village, at the northern reaches of Harrow, occupies the space where the Capital starts to merge with the more serene setting of the Home Counties. With all of the benefits of modern London living, such as excellent access to amenities and great travel connections, Eastman Village also locates residents squarely in the orbit of distinctly pastoral locales such as Harrow on the Hill, Pinner and Ruislip.

Connections

Metroland to metropolis

Once known as ‘Metroland’, the string of commuter villages that stretch north-west from Central London has since evolved a far more contemporary feel. The basic principal however remains that this corner of the Capital is surprisingly well-connected.

Eastman Village is well served by a number of surrounding rail stations. Harrow and Wealdstone Station – around 11 minutes walk from the development – connects to London via The Overground, Bakerloo Line and National Rail network. Harrow on the Hill, West Harrow, North Harrow and Northwick Park, all on the Metropolitan line, connect to Central London and the City and nearby Sudbury Hill and South Harrow are Piccadilly line stations.

With close access to the M40, M4 to the south and M1 to the north, Eastman Village is central to the wider road networks of both Greater London and the UK as a whole.

Overview of Eastman Village

Join the expanding community at Eastman Village and discover the aspects of the development that our latest residents adore.

"Our son loves living at Eastman Village, and loves riding his bike around the grounds. The development is centrally located near local parks and has excellent transport links by bus or train to central London where we often enjoy family days out at a number of free attractions, such as the Science or Natural History museums."

"I felt confident about buying off plan as I could see the development was well designed, it also meant I had a choice of plots. I took my Dad along to see my apartment as he used to work in the building trade so can be very critical. But he was really impressed by the standard of the build."

About Shared Ownership

Shared Ownership is a government-backed home ownership scheme which has been specifically designed to help those who are unable to afford the cost of buying a property at full market value.

It works by enabling you to purchase a percentage of the equity in your new home, which is usually between 20% and 40%, and pay a subsidised rent on the part you don't own to Hyde New Homes, as well as a monthly service charge.

You will have the same rights and responsibilities as a full owner occupier.
