Welcome to Parkside Triangle

Be part of a neighbourhood with space to feel free

Get the most out of life at Parkside Triangle. Forming the first phase of an exciting new development, this collection of 70 quality homes comprises one and two-bedroom apartments, three-bedroom duplexes and three-bedroom terraced houses. All are for sale through shared ownership.

Parkside Triangle combines modern living, community spirit and a family-friendly atmosphere with easy access to green space and a wide range of amenities. Located right next to Duppas Hill Park and just a short walk from Waddon railway station, this is not just a place to live. It's a place to put down roots, grow, thrive and enjoy a perfectly balanced lifestyle.

Parkside life

Work, rest and play

Parkside Triangle has been thoughtfully conceived to offer well-planned homes with modern comforts, as well as plenty of green open spaces. The spacious interiors provide plenty of natural daylight. All homes benefit from private outdoor space.

At the heart of the development is an attractive landscaped communal garden, the perfect place to take a break from homeworking or enjoy a summer evening stroll. Inspired by the nearby River Wandle, the winding walkways connect to social spaces and safe play areas.

The garden forms a secluded, protected annexe to the adjacent Duppas Hill Park. Created in the Victorian era, this extensive recreation ground has acres of green space and many well-established trees, as well as a bandstand, cricket pitch and children's playground.

Waddon has a selection of shops, food outlets and other amenities, including a Morrisons supermarket, all within easy walking distance of Parkside Triangle.

For more amenities, it's around 20 minutes walk from your doorstep to central Croydon, where you'll find an extensive range of shops, cafes, bars, restaurants, entertainment venues and more. In the heart of the town centre is the Centrale and Whitgift shopping centre, the community's retail and leisure hub. It's home to many famous-name stores, independent local businesses and community organisations.

As well as having Duppas Hill Park right next door, Parkside Triangle also offers easy access to other areas of green space. To the north of the development is Wandle Park, another Victorian recreation ground which was fully regenerated in 2012 and features a bandstand, ornamental gardens, a skate park and tennis courts. The River Wandle flows through the park, providing scenic riverside walks.

Located to the south of Parkside Triangle, Purley Way playing fields provide the largest expanse of sports pitches in the Borough of Croydon. At weekends the park comes alive with people playing football, cricket and other sports.

Buying your new home

Our in-house team of sales consultants are dedicated to providing exceptional service to all our customers and we aim to make the experience of buying your new home with us as smooth, enjoyable and straightforward as possible. From your initial enquiry, through to handing you the keys to your new home, our friendly and knowledgeable team are available both in person and online, to answer your questions and help you find the home buying option that's right for you.

Shared ownership

Shared ownership is a scheme which has been specifically designed to help those who are unable to afford the cost of buying a property outright on the open market.

It works by enabling you to purchase a share in your new home, and pay a subsidised rent on the part you don't own to Hyde.

You will own an equity share in your new home. A lease is a legal document between the freeholder or landlord and the purchaser and is binding on both sides and since you will own a lease you will be a 'leaseholder'. The lease covers the responsibilities including maintenance, rent settings, purchasing more equity, selling and insurance.

Shared ownership explained

Who's eligible?

Anyone with a household income of under £90,000 per year is eligible for shared ownership in London.

How does shared ownership work?

- The minimum initial share you can buy in a new home is 25%
- The maximum initial share you can buy is 75%
- You will only need a deposit for the share you buy
- As a shared owner you will be a leaseholder
- You will pay a mortgage on the share you buy and a subsidised rent to Hyde on the remaining share
- The leases on our new build homes are typically 999 years

How does staircasing work?

- You can buy more shares in the future until you own your home outright
- Once you own your home outright, you will no longer pay rent, but you will carry on paying the relevant service charges
